Dear Sir / Madam,

We refer to the above claim submitted for reimbursement. We regret to inform you that the claim is **not admissible** for the following reason:

The insured underwent Right Total Knee Replacement for primary osteoarthritis, which is not due to an accident. As per **Clause 3.2 — Excl02 (Specified Disease / Procedure Waiting Period)**, joint replacement surgery and osteoarthritis are subject to a waiting period of 24 months of continuous coverage from first policy inception. The policy was first incepted on 01-Mar-2026 and there is no prior continuous coverage or portability. The waiting period is therefore not completed. The claim has been reviewed and approved for repudiation by the Company's Claims Review Committee on 01-Oct-2026.

If you are not satisfied with this decision, you may write to our Grievance Redressal Officer at grievance@samvad-health.example within 30 days. If still aggrieved, you may approach IRDAI's Bima Bharosa portal or the Insurance Ombudsman, Mumbai.
